SHIPYARD : WU-CHANG SHIPYARD
LOCATION : WU-CHANG, CHINA
GEO COORDS: 30-32N 114-17E

KEY TO ANNOTATIONS

1. Unidentified vessel under construction (visible LOA approx 230').
This unit appears to have a very broad beam suggesting that it may be a river cargo barge.
2. Probable "W/R" Class SS under construction (visible LOA approx 245').
The long slender shape of this vessel and imagery equating to the location of a submarine sail contribute to this identification. A series of weather sheds was reported in this position in [redacted] See annotation 1, [redacted]
3. Possible surface combatant (LOA approx 200').
Small superstructure amidships and over-all hull configuration contribute to this evaluation.
4. Possible surface combatant (LOA approx 200').
Shadow profile on ground and superstructure location indicate that this unit is of the same type as the vessel at annotation 3.
5. Probable "W/R" Class SS alongside fitting-out barge (visible waterline length approx 245').
The sail of this submarine is clearly visible. See annotation 3, [redacted]

NOTE: All measurements have been made by the CIA/IAD project analyst. They should not be construed as being mensuration data compiled by the NPIC Technical Intelligence Division.
